

# Model MIM600

600 Lb. Ice Maker

Model MIM600

The MIM600 is an extremely reliable and efficient commercial ice maker that produces up to 700 pounds of ice per day. Stainless steel construction provides durability to a unit that is low-maintenance and easy to clean. The unit produces crystal clear ice cubes that work great for applications in restaurants, bars, hotels, grocery stores, and more. This model is NSF and UL approved for commercial use.

Maxx Ice's continuing commitment to quality products may mean a change in specification or pricing without notice.
